Present

HOPE FOR THE FUTURE: MEDICAL OUTREACH IN CAMDEN

Grace Church Parish Hall

**19 Kings Highway East
Haddonfield, New Jersey**

Friday, January 16, 2009 at 7:30 p.m.

- ◆ Since 1997, Our Lady of Lourdes Medical Center has provided health care for the uninsured or underserved in the Camden community through Community Health Practice. This outreach is currently located at Clinton and West Streets in Camden.
- ◆ Our Lady of Lourdes Hospital, through Community Health Practice and Project H.O.P.E. (Federally funded healthcare for the homeless.) is partnering with St. Wilfrid's Episcopal Church in Camden and Grace Episcopal Church in Haddonfield to bring a medical clinic to the St. Wilfrid's site.

We invite you, as plans move forward in this exciting new project, to come and hear Community Health Practice's hopes and dreams for continued medical outreach in the Camden community.

- ❖ A free-will offering will be taken for the benefit of Community Health Practice ❖
- ❖ Refreshments will be served ❖

For information or questions, please contact Grace Church at 856-429-0007
